University Preferences

First year

Please rank the universities according to your preference to spend the first year there. Indicate the highest preference with 1, the second highest preference with 2, and so on. Note Dublin only possible in year 2.

Rank	Partner University	Country
	RWTH Aachen University	Germany
	Czech Technical University Prague	Czech Republic
	Ghent University (together with Vrije Universiteit Brussel)	Belgium
	University of Groningen	The Netherlands

Please note:

1. Think about your specialization and 2nd year university *before* choosing the 1st year university (see below).
2. We will try to accommodate the preference of each selected applicant, however please note that the CEMACUBE consortium holds the right to assign students to their first year university.
3. Trinity College Dublin is a possibility in year 2.

Second year

Please rank the top 5 of the 2nd year specialization subjects according to your preferences for them in the same manner as above. Indicate the highest preference with 1, the second highest preference with 2, and so on. The choice you will give below is **not** a **binding choice** but it is just an indication for the programme coordinators to get an idea of your interest. After selection (April) you will be asked for you the final choice for year 2. Note: Think about your specialization and 2nd year university *before* choosing the 1st year university above. You have to move to another university after 1 year. Please also note that if you do not pass all subjects in year 1, you will have to leave the programme (but can continue in the programme of the year 1 university).

Rank	Specialization Subject	University
	Artificial Organs & Implants	Aachen
	Biomaterials Science and Engineering	Groningen
	Diagnostic Imaging & Instrumentation	Groningen
	Health care (tracks: Personalized medicine/biomaterials/Neuro-engineering/ Engineering physics in oncology)	Ghent
	Medical devices (tracks: Advanced design methods/Assistive technologies /Micro and nano devices)	Ghent
	Medical Imaging	Aachen
	Medical Imaging & Instrumentation	Prague
	Medical Device Design	Groningen
	Tissue Engineering	Aachen/Dublin

References

ALL REFERENCES ARE CONFIDENTIAL. Please provide information on the individuals who will be providing your references below. Enter their name, position (e.g. Professor of Microbiology), institute details and their email. Note that we will not contact any of the referees for you.

Please send the Reference form (see 'Apply now' at www.biomedicaltechnology.eu) to your referees, ask them to fill out the reference form. The referee has to send the completed form **directly** to cemacube.em@rug.nl. Please note that Reference forms send to us by the applicant will **not** be accepted.

Who can be referee? Anyone who has been involved in teaching you (lecture, supervisor, mentor) at the university or (project) work related.

It is okay to send a scan of References letters you already have (max. 1 years old), but please note that these letters do **not** replace the reference form (they are seen as additional references).

It is the **applicant's own responsibility** to ensure that we have received all application materials, including the reference forms of at least 2 referees, by the deadline of **3/01/2020**. It is no problem if we receive the reference form before your Application package.
